Subject: Annual Reports, Miracle Rock Mining & Research, Dry Wash Mine, S/015/0096, Emery County, Utah

Dear Mr. Taylor:

The Division of Oil, Gas and Mining did not receive an annual report for the Dry Wash Mine for 2015. Since the Notice of Intention was accepted in 2007, the Division has only received the annual report for one year, 2014, and no production was reported. Records of the Mine Safety and Health Administration show that there have been no worked hours since 2010.

Rule R647-3-117 requires that small mine operators must file an operations and progress report (Form MR-AR). Rule R647-3-113.2 requires that the operator to notify the Division of temporary suspension of small mining operations.

By July 29, 2016 please submit an annual report for 2015. Enclosed is an annual report form, and this can also be obtained from the Internet at [http://linux3.ogm.utah.gov/WebStuff/wwwroot/minerals/permit\\_forms.html](http://linux3.ogm.utah.gov/WebStuff/wwwroot/minerals/permit_forms.html) Also please inform the Division if the mine is expected to remain in temporary suspension.

Please contact the permit lead for this mine, Wayne Western, at 801-538-5263 if you have questions concerning this requirement.

Sincerely,

Paul B. Baker  
Mining Program Manager
